

Project Description – Congregation of the SABS Sisters Website

1. Landing Page (Opening Display)

- When the website is opened, a **10-second themed display page** (adoration theme) is shown.
 - After 10 seconds, it **auto-redirects to the Home Page**.
-

2. Home Page Features

1. Slider Section

- Admin can upload multiple pictures for the slider.

2. About the Province

- Brief description shown on the homepage.
- “Read More” button → navigates to a dedicated *About Province* page.

3. History of the Province

- Short introduction displayed on homepage.
- “Read More” button → opens a separate *History Page*.

4. News & Events

- Homepage displays the **latest 4 news/events** as **cards**.
- “View All” button → leads to a full *News & Events Page*.

5. Apostolate Section

- Display 5 cards on homepage.

- Each card → leads to a detailed view page.
- Detail page includes: **image, description, and link to the institution's website.**
- Admin can manage these cards/pages.

6. Prayer Request Section

- **Form fields:** Name, Prayer Request, Mobile Number, Email.
- **Admin Side:**
 - View all prayer requests.
 - Two options for response:
 1. **Reply Mail** → send a pre-programmed auto mail to the given email.
 2. **Custom Mail** → admin can type subject & body manually before sending.

7. Gallery Section

- Thumbnails for albums.
- Clicking thumbnail opens pictures inside that album.

8. Feast Slider

- Admin can add feast details: Image, Name, Saint, Photo, Date.
- On the homepage, the feast of the **current date** is highlighted/displayed.

9. Administration Section

- Display details with image, name, and designation.

10. Convent Page

- Each convent displayed as a card with:
 - Image, Name of the House, Address, Superior, About.

11. Publications Section

- Showcase **YouTube links, Books, Media**.
 - Manageable from admin panel.
-

3. Admin Features

- Manage **Slider images**.
- Add/Edit/Delete **Province details & History**.
- Manage **News & Events**.
- Manage **Apostolate details**.
- View & respond to **Prayer Requests**.
- Upload/manage **Gallery albums & photos**.
- Manage **Feast details**.
- Manage **Administration members' details**.
- Manage **Convent details**.
- Manage **Publications (YouTube links, books, media)**.
